Dear Sir/Madam,
Hope doing well.

UGC-DAE CSR invites research proposals from faculty members of Universities/Colleges and Research Institutions under 3 years Collaborative Research Scheme (CRS) for utilization of the Mega Science Facilities of the DAE (Synchrotrons at RRCAT, Dhruva reactor at BARC and Cyclotron at VECC) and the advanced research facilities at own facilities at Indore, Mumbai, Kolkata, Kalpakkam Centers and Bhubaneswar Node.

The broad objective of the collaborative research scheme is to promote research in frontline areas of science and technology in Indian Universities/Colleges and Research Institutes by providing high-end research facilities.

CRS projects are sanctioned normally with a student fellowship along with travel and local hospitality to avail experimental facilities.

We can assist in the application process.

Request for telecon.

Warm Regards,

Ranen
