CIRCULAR

In continuation of our Circular Ref: No. GRIL/IRINS/2026-2027 dated 18.09.2026, IRINS (Indian Research Information Network System) is a web-based Information Management System developed by the INFLIBNET Center. IRINS facilitates the automated retrieval of publication metadata from external databases and provides several benefits to institutional administrators.

It also supports funders and policymakers by helping them identify emerging research trends, verified experts for research funding and engagement, and reliable indicators of scholarly research.

The IRINS webpage underwent updates and improvements to enhance the quality and accuracy of research information from 24.08.2026 to 08.09.2026. As a result, some faculty members names, by chance, may be missing or change in the designations, name of the departments/ centres. Therefore, we request the faculty members to verify and update IRINS profile details through their respective VIDWAR IDs at the earliest.

The list of faculty profiles is enclosed herewith. All Heads of Departments (HoDs) are requested to circulate among their faculty members to verify their details available on the IRINS Portal and ensure that the information is correct and up to date. Therefore, we requested the HoDs to verify the faculty information and inform Dr. G. Ramachandran Library of any additions, deletions, or corrections on or before 15.10.2026.

Your cooperation in updating the information is highly appreciated, as IRINS related research information is one of the components considered for NIRF related institutional data and assessment.

If any clarification or assistance regarding the updating of your IRINS/VIDWAN profile is needed, please contact Dr. G. Ramachandran Library.
