Pravrutti Poster.pdf (~3.7 MB)

We are delighted to invite you and your students to **Pravrutti 2.0, the National Level Tech Fest** hosted at Ramaiah Technology Campus (RTC), Bengaluru, from **14th to 16th October 2026** with a prize pool of **6 LAKH RUPEES**.

Pravrutti 2.0 brings together students, innovators, and technology enthusiasts from across the country to explore, compete, and showcase their skills across technology, innovation, engineering, and entrepreneurship.

What makes Pravrutti unique is that it is an entirely student-driven initiative. From conceptualising the events to organising and executing the fest, it is built and managed by students, for students.

With 25 exciting events, Pravrutti 2.0 offers participants an opportunity to challenge themselves, collaborate, innovate, and compete in an energetic environment.

We kindly request your support in:

- Sharing the details of Pravrutti 2.0 with your students and colleagues.
- Encouraging enthusiastic participation from everyone
- Motivating students to explore the 25 events and be part of this student-led celebration of technology and innovation.

For more details and registrations, please visit:

<https://pravrutti.tech/>

And kindly find the poster attached.

We look forward to your valuable support and participation in making Pravrutti 2.0 a grand success.

Warm regards,

Team Pravrutti 2.0
