CIRCULAR

In continuation of our Circular Ref: No. INFLIBNET-INFYMEET/2026-2027 dated 02.06.2026 regarding the INFYMEET, an online platform developed by INFLIBNET Centre, which provides a single-window digital interface for all Higher Education Institutions (HEIs) to publish details of their upcoming conferences, seminars, workshops and symposia. Through this unified system, researchers, faculty members and students can easily browse, the details of the event and register or collaborate.

As already mentioned, the INFYMEET platform is integrated with ShodhChakra, enabling scholars to publish and link their research work with the respective conference and workshops. This will enable the respective department's conference/seminars viewed across India through the ShodhChakra portal, thereby increasing the visibility and reach of the programme.

In this regard, we have requested vide our earlier circular, the HoDs to nominate a faculty member from their respective departments and inform the details of Dr. G. Ramachandran Library. Based on the nomination, the library will create the username and password for accessing the INFYMEET portal. So far, we have received letter nominating a faculty member from only two departments. Hence, we request the HoDs to nominate a faculty at the earliest so that GRI will effectively use the INFYMEET portal.
